Calculating Valedictorian Status

To determine if you qualify for the designation of Valedictorian or the Superintendent's Highest Honors Award, follow these instructions:

1. Compute your "scholastic" GPA by assigning a 4 for every A, a 3 for every B, a 2 for every C, a 1 for every D and a 0 for every F in every class EXCEPT PE and athletics (ie sports). Be sure to include Geometry H and foreign language in the 8th grade (if taken).

2. Compute your "indexed" GPA by making the following adjustments to your scholastic GPA:

For every A in an Honors, AP or IB class, add (do NOT average) a .02 to your **scholastic** GPA. For example, if you have earned two A's, add .04 ($.02 + .02 = .04$) to your overall scholastic GPA.

For every B in an Honors, AP or IB class, add (do NOT average) a .01 to your **scholastic** GPA. For example, if you earned 4 B's, add .04 ($.01 + .01 + .01 + .01 = .04$) to your overall scholastic GPA.

Seniors whose INDEXED GPA, including PROJECTED grades as of the 15th of May prior to graduation is 4.65 or higher, can be designated as Valedictorian(s).

Seniors whose INDEXED GPA is above a 4.0 (as of the completion of the next to last semester prior to the date of the graduation of his/her class) will be eligible for the Superintendent's Highest Honors Award.
