A **required schedule change** will be made for a student who failed a course or who completed a pre-approved summer school course.

A **requested schedule change** will be made only if it improves the integrity of your schedule for graduation or college entrance requirements **AND** if there is space available. Schedule change requests can be addressed in August during Schedule Pick-Up Day.

**Athletics** - If you play a NPHS team sport, you can earn 5 Physical Education credits each season toward your 20-credit requirement. For all grade levels, you will be placed in your sport as an elective after your name appears on a team roster. For Athletic information, visit: [www.nphsathletics.org](http://www.nphsathletics.org) .

- **Honors Placement** - If you are CURRENTLY taking an honors/AP/IB course and you earning a B or higher, you may choose the next sequential honors/AP/IB course.

If you are NOT currently taking an honors/AP/IB course, you must earn an A in both final marking periods in a CP course. If you do not have an A in both final marking periods, you must pass the requisite placement exam.

For information about the honors application process and test content, visit: <http://www.nphs.org/counseling/placementtests.htm> .
